RAISE THE FLAG... Members of the Elba Senior Girl Scout Troop raise the new United States flag after receiving it from Cong. Bill Dickinson. The flag flew over the United States Capitol during the month of September.

Rep. Bill Dickinson

Sheriff Paul to meet with citizens

Sheriff Brice Paul will meet with the Pinecove and Pinedale residents' Crime Watch Committee this evening (Oct. 23) at 7 o'clock, at the home of Jerry Brown.

Sheriff Paul will present a program and information to the group to enable them to develop an effective crime watch program.

RESIDENTS OF HAUNTED HOUSE? ... These four beings were photographed early this week outside Elba's Haunted House. The Elba Jaycees will open the house to the public next week.

Historic paintings on display at courthouse

The historic Coffee County Courthouse in Elba added a touch of local history recently when two large wall murals depicting the early history of Elba were placed in the upstairs courtroom.

The murals, painted by the late Lamar S. Rainer Jr., in cooperation with the Art Department at Troy State University, were originally on display at The Peoples Bank in Elba, and were unveiled at the bank's grand opening following the construction of the new bank building on Claxton Avenue.

The murals hung in the bank's community room until recent interior renovation left no place for them on the wall.

Mr. Rainer served as president of the bank until his death and left the historic paintings for the enjoyment of all interested in local history.

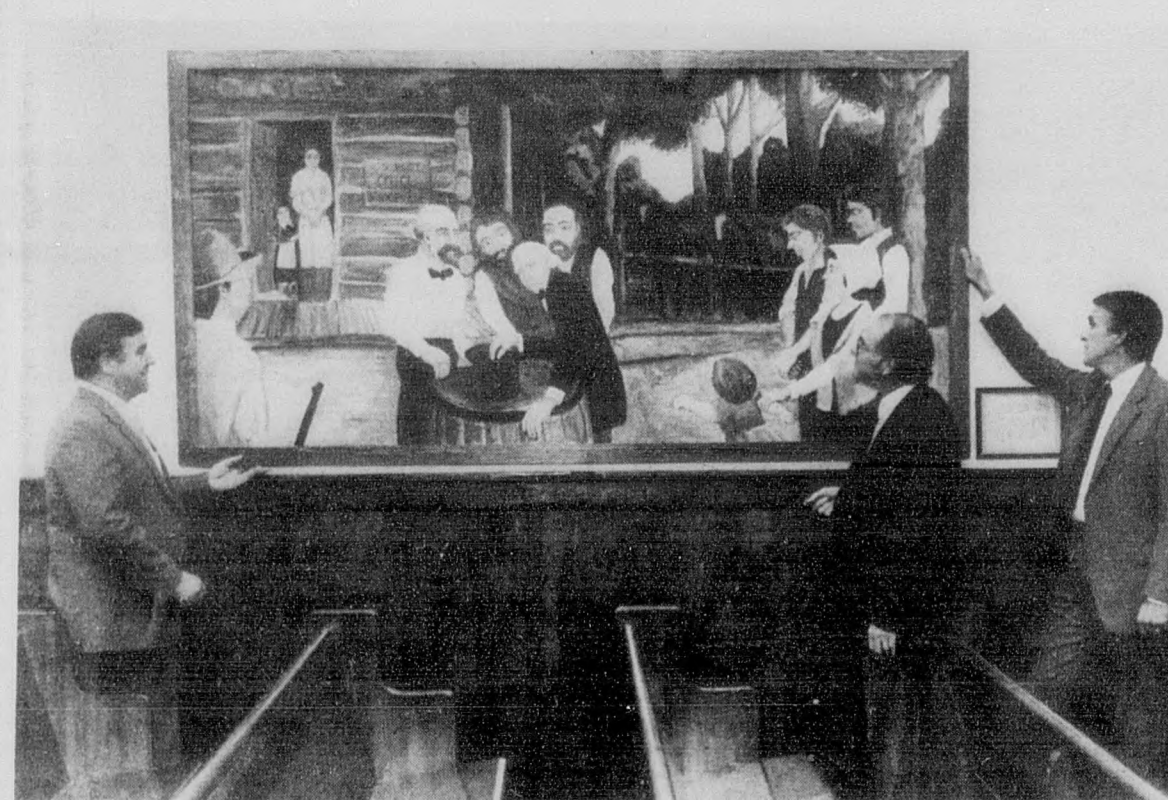

The murals in the courtroom are two of six that serve to tell a story of the early days of the city of Elba. The complete collection includes paintings of the naming of Elba, the burning of the courthouse, a salute to education in Elba, the coming of the railroad, the first brick courthouse and the popular ferry that served as the means of crossing the Pea River.

Coffee County Probate Judge Marion Brunson, a noted author and historian, stated, "We are honored to house the paintings in the courthouse and feel all the citizens of Elba and Coffee County should be proud of them and the stories they tell. I invite all citizens to visit their courthouse and look at these beautiful paintings."

The late Mr. Rainer loved history and the city in which he lived, and these paintings serve to keep the history of our town and the talent of Mr. Rainer alive forever.

The paintings, which measure four feet by eight feet, depict the naming of the city and the burning of the courthouse.

In telling the story of the paintings at the courthouse, Judge Brunson first told of the naming of Elba.

ADMIRE HISTORIC PAINTING... Coffee County Probate Judge Marion Brunson (left) and officials of The Peoples Bank admire a large wall painting in the county courthouse depicting the early history of Elba. The bank loaned the painting to the courthouse as well as a second painting that hangs on an opposite wall. Bank officials are vice president Kenneth Grantham (far right) and president Charles Steedlove.

"The citizens of the city were not pleased with the name Bentonville and decided to choose a new name by putting names in a hat and picking out one," said Brunson.

"John B. Simmons had recently read a book about Napoleon being exiled to the Isle of Elba, off the Italian coast, and placed the name 'Elba' in the hat. The name was drawn out and from that day forward the name of the community has been Elba."

"The new name was extremely popular with all the citizens and in honor of the man that named the community, the bridge across Pea

River near downtown Elba was named the John Simmons Bridge.

"The second painting concerning the burning of the courthouse is one of my personal favorites," stated Brunson.

"Back on the morning of Sept. 3, 1863, Jim Ward and his raiders rode into town and burned the courthouse to get revenge on the people of Elba for turning them in. Uncle Mundy Hammonds, an elderly black man that served as night watchman at the courthouse, saw the men set fire to the building, which was a two-story, white frame building. It went up in

flames quickly and Sheriff Robert Peter Brooks and the city's town guard pursued the vandals and caught up with them near what is now the Fairview Community. A fierce gun battle occurred, at which four men were killed, including Sheriff Brooks, giving the name 'Battle Branch' to the creek at the scene of the fight."

Judge Brunson beamed with pride as he viewed the paintings and told the stories and was sincere when he again issued an invitation to anyone wanting to view the paintings and share a moment of history.

County businesses notified of tax increase

The Alabama Dept. of Revenue notified all businesses in Coffee County this week that the state had authorized the governing body of Coffee County to adopt a 1-cent sales tax for educational purposes in the county and that collection of the tax would begin Nov. 1, 1986.

The tax ordinance No. 1 levies a sales tax effective Nov. 1 as follows:
General rate 1%
Admissions to places of amusement and entertainment 1%
Cost of food for human consumption sold through vending machines 1%
Net difference paid for machines, machinery and equipment used in planting, cultivating and harvesting farm products 1 1/2 of 1%
Machines and parts and attachments for machines used in manufacturing tangible personal property 1/2 of 1%
Net difference paid for all automotive vehicles, truck trailers, semitrailers and house trailers 1 1/2 of 1%

The ordinance also levies a use tax on tangible personal property purchased outside Coffee County for use, storage or other consumption within Coffee County. The rates for use tax are the same as the rates for sales tax.

FOLSOM PRESENTS KEYS TO VAN... Robert Folsom, of Elba, presents the keys to the van pictured above to Sara Free, director of the Coffee County Training Center. Folsom donated the van to the Center in memory of his son Bobby. Also pictured are Lillian Dickson of the South Central Alabama Mental Health Board; Johnnie McCall, project chairman of the Luncheon Pilot Club, which donated funds to help purchase a fence around the Center's greenhouse; Bobbie Harrell, a longtime supporter of the Center; Olive Wesley, president-elect of the Luncheon Pilot Club, and Mary Sue Kelley, who presented a check to the center from the Damascus Baptist Church.

Folsom donates van to county training center

The Coffee County Training Center received a valuable gift last week when Robert Folsom of Elba donated a customized van to the center to help transport students to various locations across south Alabama.

The training center serves

mentally retarded adults in Coffee County and is located in Enterprise. Folsom, a former mayor of Elba, made the donation in memory of his son Bobby and told center officials that they could use the vehicle any way possible to help the students.

Also presenting a donation to the

center last week was Mrs. Mary Sue Kelley, who gave the center a cash donation on behalf of the Damascus Baptist Church. The church holds a softball tournament annually for retarded citizens and the funds received at the event go to the local center.

Brainstorms

With Ferrin Cox

The governor's race is still on for Nov. 4 . . . at least at the time of this writing. The mud is still flying, etc. Watching the news last night, I realized there is an effort to draw "nice guy" Hunt into the gutter also. We are glad the Democratic Party decided to stop the ads making fun of the way Hunt made his living. It wasn't a very professional way to politic, and besides - there are more sales folks than trial lawyers. That is one of the basic laws all aspiring politicians learn, which is why they are all working for the little man or poor people.

Will Graddick withdraw his write-in campaign? We surely don't know, but if he does it will elect Guy Hunt; otherwise Bill Baxley will win the race. He will have a hard time winning a second term. We have photos of him four years from now, but his interest now is winning this race. If Hunt wins, we can just shut down Montgomery, because the Democratic legislature and Republican governor will not be interested in working together on any program. Whatever - we don't expect a lot of folks to vote; too many are disgusted one way or another.

The wet-dry petition is still on the ballot in Elba, even though there has been almost no talk on the matter. It is almost as if those who got the petition together are trying to apologize for even thinking about any such thing. We had predicted a win for the "wets," but are now backing that out and taking a second look at the matter.

The Elba utility department bucket truck was busy Tuesday afternoon helping a private contractor dismantle a brick building. We have photos of the truck pulled up there and contractor's employees up in the bucket getting down the second-story bricks. Supervisors in the department said they had instructions from City Clerk D.M. English to "help the man." Earlier this week this same department told a local citizen they were too busy to cut some oaks on city right-of-way. Whoops, now!

The U.S. Navy to the rescue . . . of the Perdido Bay beach mouse! The Navy is going to help save this mouse from extinction. There are only about 13 of them left in the world and need help. Actually, it isn't that bad. The Navy will be moving some sand to "home port" part of the fleet in Pensacola and the sand will be spread on eroded beaches and this will help the mouse and other wildlife. It seems the hurricane in 1979 destroyed almost all the remaining beach used by the "cute" little mouse, and by the Navy doing this, their home will be replaced.

Forbes magazine recently listed the 400 richest Americans. We didn't make the list. However, we now understand one of those (with only \$350 million) has given some advice to young aspiring men. Jeno Paulucci who rose from gathering coal on the railroad tracks to warm the family home, to be a very rich fast food and real estate success, had those words for the press this week. He also added you couldn't get too much education. Paulucci talked about hard work, long hours and a very young education. He deduced from his comments that he kinda wishes he was young and had all the golden opportunities available to young people today. Funny, we work hard, long hours and have a very patient, understanding wife, but there must be some other ingredient, "cause we ain't even considered close to getting on that list. We are still picking up the coal along the railroad!

The proposed changes in the garbage pickup in Elba have a number of commercial customers upset. We haven't talked to the Waste-Away folks that are in town, but everyone who has is telling us of some things that have us upset also. We urged the big man in Montgomery to start over and this time be sure it was right. We know this really got him excited, but maybe someone will get it right. By the time they start talking to residential customers, there will not be one un-mad person in town, if something doesn't change.

We hear that the elevator in the Enterprise courthouse got stuck earlier this week with someone in it. Our advice to our friends is to continue walking up the stairs if possible. That is, until we are sure there is someone nearby who can crank that thing up or down when the motor stops!

Two Local Youth

Are Arrested

For Burglary

Two young Elba men were arrested this week and charged with third degree burglary after a policeman on routine patrol discovered the duo inside an Elba business.

The two men, identified as Brian Dawson, age 19, and James Baldwin, age 21, were discovered in a popular game room on Putnam Street by Elba policeman Freddie Hanchey after the patrolman noticed the two men walking near the back of the business at 1:28 a.m. on Tuesday, Oct. 21.

A search of the building led to the arrest of the men.

RESOLUTION

Adopted by the Administrative Board
of the
Elba United Methodist Church

October 19, 1986

WHEREAS the Administrative Board, the governing body of the Elba United Methodist Church "affirms our long-standing support of abstinence from alcohol as a faithful witness to God's liberating and redeeming love for persons."

WHEREAS we do encourage you to vote NO concerning the sale of alcoholic beverages in the Municipality of Elba, Alabama on November 4, 1986.

WE believe a vote yes will not solve all of Elba's problems. It will not solve any of our problems. It will only add to them.

BE it Resolved on this day October 19, 1986.

"NOTICE"

Probate Judge Marion Brunson reminds residents of the following items due in the month of October:
Business Licenses
Individual licenses - U.V.W., X.Y.Z.
Hunting and fishing licenses - must present driver's license - or proper identification
Farm Truck Tags
Commercial Vehicles
Motorcycles
Mobile Homes - Trailer Tags
Citizens are urged to renew these licenses to avoid a penalty after October 31.

LETTERS TO THE EDITOR

LETTER TO EDITOR

Dear Editor,

Should you stop to think - people can get alcoholic drinks all around Elba. They buy beer or whiskey and have to drink it up before they reach Coffee County or Elba, which will cause anyone to be driving while under the influence of alcohol, making it a danger to the driver's life as well as other people on the road or streets!

Should we vote Elba wet on Nov. 4, anyone who wants to use alcohol can go to the store and get beer, or wine, and at the state store get whiskey.

The City of Elba could use the tax on beer, wine and whiskey to remove the city tax on food, also the 1-cent tax originally imposed to build a hospital and nursing home, which are complete and paid for.

Be smart and take the drunk drivers off the roads and streets. Vote wet Nov. 4!

A person can get alcohol when they want it; this will help to take the desire to drive away, and drink at home.

Pictured are managers of the 34 Skinner Furniture Stores and corporate office who met at the West Point, Ga., home office on Sept. 10 for the annual Awards meeting. Named manager of the year was Solby Dean, and assistant manager of the year - Bonnie Power, of Carrollton, Ga. They each received a plaque and cash awards, and will have their pictures placed in the Hall of Fame in the Skinner Corporation office. Winner of manager of the year was determined by his store's average percentage of bonus profit to average accounts receivable, average inventory, total sales and average cash. Others winning excellence in management certificates were Wayne Suley, Troy, Ala.; Tommy Pool, LaGrange, Ga.; Ed Clark, Montgomery; Danny Farmer, Newnan, Ga.; and Randy Brand, Roanoke, Ala. Manager Tommy Pool, LaGrange, made the most sales, collections and profit.

Jewel Jacobs (81) of Elba, left, recently participated in a domino tournament in Headland. Although she was beaten by George Johnson in the first round, she played him two close games. Her daughter, Dollie Jacobs Moore, kept score as she watched the tight game. Johnson went on to win second place. (Photo by Bob Moore)

South Alabama Electric Cooperative To Hold Annual Meeting October 28th

The Singing Americans will be the main entertainment for the afternoon annual meeting of South Alabama Electric Cooperative to be held at the Pike County Fairgrounds on Oct. 28. The group will begin singing at 12:30 p.m. The Singing Americans were organized in 1980 and in 1983 were voted favorite male group of the Southern Gospel Music Association. In 1985 they again won the SCMA as favorite male group as well as favorite male vocalist and favorite gospel song.

The American Cancer Society Says Thanks

The American Cancer Society, Alabama Division, raised a record \$2,163,000 statewide during the 1985-86 Crusade Drive according to Jerry Spencer, State Crusade Chairman. That amount exceeds the Crusade's goal by \$113,000. It is a 12 percent increase over funds raised during the 1985 crusade.

"I want to thank the people of

Coffee County for their generous contributions totaling \$22,911 to the Cancer Society," Spencer said.

"And I want to express my appreciation to the many volunteers for working so hard to make this '86 crusade a success."

Next year's Crusade goal has been set at \$2,425,000.

The Elba Ministerial Association

has a deep concern for our community and our society. We have provided these facts in an effort to make you aware of some of the effects of alcohol on our society.

We believe the majority of people in our community are knowledgeable people who are capable of making intelligent decisions.

We have provided these facts without comment so that each reader can decide for himself and so that each voter can know how to vote intelligently on Nov. 4, 1986.

The Second Special Report to the U.S. Congress on Alcohol and Health made in June, 1974, indicated that 52% of 10th graders get drunk one or more times a year and 63% of 12th graders get drunk one or more times a year.

The Third Special Report to the U.S. Congress on Alcohol and Health made in June, 1978, by the Secretary of Health, Education and Welfare revealed the following facts:

One out of five high school teenagers gets drunk on an average of once per month.
One-half of all murders are attributed to alcohol.
Alcohol is a major factor in child abuse and marital violence.
Alcohol is the third leading cause of birth defects.
In 1975 liver cirrhosis ranked as the sixth most common cause of death in the United States with up to 85% of the cases estimated to be alcohol-related.
In 1978 alcohol was involved in 72% of robberies, 86% of murders, 31% of forcible rapes, and 50% of all sex crimes.
According to current estimates (1978), half of all traffic fatalities and one-third of all traffic injuries are alcohol-related.
More than one-third of suicides involve alcohol, and disproportionately high numbers of people with drinking problems commit suicide. In 1975, as many as 10,000 suicides were related to alcohol use, and up to 8,400 alcoholics committed suicide.

The Fourth Special Report on Alcohol and Health made to the U.S. Congress by the U.S. Department of Health and Human Services, Spring, 1981, indicated that traffic accidents are the leading cause of death among youth and that no other factor is as predictably associated with fatal traffic accidents as is alcohol.

A Report on Alcohol published by the American Businessmen's Research Foundation, Winter, 1971, revealed that from 1961 to 1968 in Memphis and Shelby County, Tennessee, drinking was involved in 88% of all homicides.

The Report on Alcohol (Volume XXXII, No. 4) made in 1974 by the American Businessmen's Research Foundation revealed that the brewing industry alone uses the total annual production from more than 4 million acres of farmland in the United States and that the grain that goes in alcohol in the United States alone could feed 20 million people a year.

Miss Grider Entertained With

Pantry Shower

Miss Karen Grider, bride-elect of Mr. Brian Snyder, was honored with a pantry shower Thursday evening, October 16, in the beautiful home of Mrs. Lee Boyd. Other hostesses included Mrs. Larry Grantham, Mrs. Doug Martin, Mrs. Ronnie Nicholson, Mrs. Fred Smith Jr., and Mrs. Ronnie Vaughan.

Mrs. Boyd greeted the guests in the foyer and invited them into the living room where they were served a dessert plate of cheese cake topped with cherries; party waters and coffee.

Adorning each plate was a coupon rolled as a scroll and tied with festive ribbon. Colorful dishcloths served as napkins, and the coupons and raffles were later presented to the

Miss Grider and Mr. Snyder Honored With Cookout

Judge and Mrs. Marion Brunson and Dr. and Mrs. William Cowart honored Miss Karen Grider and Mr. Brian Snyder with a cookout on October 11, at the Brunsons' lovely home on Cornelia Wallace Drive in Elba.

Guests were greeted by the hosts and honorees and served tomato juice cocktails on the deck.

The buffet meal included barbecue, cole slaw, potato salad, baked beans, cheese bread, banana pudding and cake, which guests

enjoyed at candlelit tables by the pool.

The honorees were presented a crystal serving piece by the hosts.

Those enjoying the occasion were Mr. and Mrs. George Grider, Mr. and Mrs. Keith Snyder, Mrs. Lela Pearl Spinks, Mrs. George L. Danford, Mrs. George Kennedy, Mrs. Fred Clark, Mrs. Ted Vaughan, Mrs. Henry D. Clark, Mrs. Kimmey Ham, Mrs. James Maddox, Mrs. Robert Parker, Mrs. Albert English and Miss Sherril Kennett.

Arts Alliance To Present Alabama Symphony

The Alabama Symphony Orchestra will present a concert at the Enterprise High School on Tuesday evening, Nov. 4, beginning at 8 o'clock.

The orchestra is under the direction of Director/Conductor Paul Polivnick.

This season the state's official orchestra will tour 18 Alabama cities to give adults and students easy access to the world of symphonic music.

The concert is being sponsored by the Coffee County Arts Alliance, and tickets may be purchased at the following locations:

Enterprise - Plain 'N' Fancy and Gallery 2. Elba - Jewel Box. Ft. Rucker - ITT Office and at the door.

Advance tickets are available at a reduced rate, and season tickets are available. Call 393-2222 during business hours.

Edna Earl Logan

Edna Earl Logan, daughter of Mr. and Mrs. J.L. Allen of Victoria, Alabama has been promoted to vice president by Trust Company Bank, Atlanta, Georgia.

A native of New Brooklyn, Mrs. Logan joined the staff of Trust Company Bank in 1962. She is manager of Estate Tax and Estate Planning in the Trust Department Tax Division.

She is married to Charles Roe Logan of Arion and they reside in Stockbridge, Georgia.

For more information call 347-2623.

ESJC Offers Adult Basic Education Courses

Adult Basic Education courses are offered by ESJC at three locations each quarter. The classes are offered at ESJC, Fort Rucker and Elba.

Students learn basic skills in reading, English and mathematics in the ABE classes and the classes help students prepare to take the GED Test.

The classes offered at ESJC and Fort Rucker also have individualized instruction using computers. By using computers, students may advance at their own pace. Morning and evening classes are available and group and individual instruction is provided.

All adult basic education classes are offered free. Persons 16 years of age or older who are not enrolled in public school are eligible to enroll in the classes. Students may join the classes at any time during the quarter.

For more information call 347-2623.

Mystery Person

This week's mystery person is a senior at Elba High School. She should be very easy for you to guess. Her favorite pastimes are singing and dancing. Her favorite colors are red and gold - to match her shiny, "penny-colored" hair.

Although she doesn't seem to have much time left over when she sits down to a meal of spaghetti, she can always find a little time - long enough to reign over numerous activities.

Can you guess who this little "piggy wiggy" girl is? Last week's mystery person was Charla Pearce.

Poem Of the Week

"Life"

As you lie sleeping, so innocent and content. The world around you doesn't stop-but keeps turning.

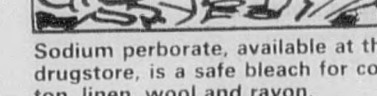

And time doesn't wait-And has no mercy. And as you lie sleeping.

Another at that same moment is crying. And still another is laughing. Time has no pattern.

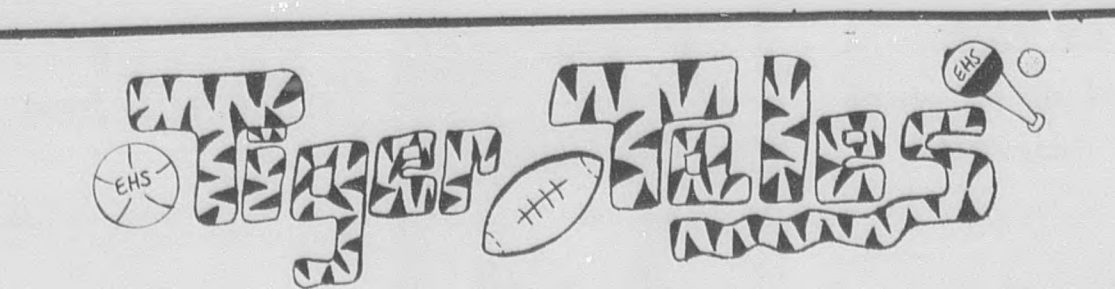

Some are worried and try to save time for a later date. But then realize that time cannot be saved.

And all the while they are living they are also dying.

SPANISH IS THE NEW LANGUAGE AT ZC

By: Brian McLeod

One of the subjects in Zion Chapel's advanced curriculum is Spanish. This is the third year Spanish has been in the curriculum. It is a required course for students trying for an advanced diploma. The course is taught by Mrs. Rhonda Brunson. There are two classes of Spanish being taught this year, Spanish I and Spanish II. The reason for teaching Spanish instead of another foreign language is that Spanish is more widely spoken in this region. Therefore, it would be more beneficial to the students.

The Spanish Club is open to all students who are presently taking Spanish or who have already taken Spanish. The Spanish Club has taken trips the past two years. In 1985 they went to the Spanish Club Convention at the University of Alabama in Tuscaloosa and last year they went to Walt Disney World and the Epcot Center in Orlando, Florida.

FRAN CHIRICO IS THE GOLD KEY PRESIDENT

By: Brenda Mobley

Fran Chirico, senior at ZC, has recently been elected to president of the 4-H Gold Key Fraternity. She has been a member for several years, along with Brian McLeod, who is also a senior at ZC. The fraternity is a club for senior 4-H'ers who have been active as junior 4-H'ers. The members must exert leadership, encourage younger 4-H'ers and participate throughout the year in 4-H activities.

The members are students from Elba, Zion Chapel, Enterprise, Kinston and New Brockton. The fraternity has 10 of last year's club members joining them again and new members were to join in October.

ENERGY ON THE MOVE

By: Pete Bryan

Thanks to a grant from Alabama Power Company, the University of Alabama at Birmingham was able to entertain the students with a program on electricity entitled *Energy On the Move*. Mr. Tom Walker was the speaker at the program. Mr. Walker talked about Alabama's energy sources and needs. He explained several forms of producing electricity and discussed the other fossil fuels, coal, oil and natural gas. He also informed the students that Alabama depends on coal for 60 percent of its power. 30 percent of Alabama's power is nuclear and 10 percent of the electricity comes from hydroelectric power plants.

With the help of several student volunteers, Mr. Walker was able to demonstrate how a generator can supply power to operate appliances in an average home. By peddling a bicycle with a generator attached to the wheel, the volunteers were able to produce electricity. He was also able to demonstrate a Van De Graff generator which produced over 60,000 volts of static electricity. Because fourth period ended and students had to return to class, Mr. Walker wasn't able to complete the program.

The senior class wore their new shirts Friday, Oct. 10, on "Senior Pride" day. Senior left to right are: Stacy Hussey, David Johnson, Paul Nelson and Denise Hussey.

Harvest Queen And King Will Be Crowned In Special Ceremonies

BY: TAMMY DUNCAN

The time has arrived once again for Zion Chapel to select a new 1986-87 Harvest Queen and King. The students that are selected are chosen by their classmates. Each student that raises the most money will then be crowned the new Harvest Queen and King.

The participants for this year's Harvest Queen and King are: kindergarten, Ashley McDermott; Jeremy Bray, Tabatha Owens and Amanda Rainey; first grade, Josh Buckhalter and Salena Shuman;

second grade, Derek Faulk and Melissa Kelley; third grade, Chris Hinoe, Cindy Lanley and Sue Bryan; fourth grade, Pat Moates and Felicia Thrift; fifth grade, David Leveaux, Laura Brown, Chris Hanley and Ginger Stewart. The crowning of the new Queen and King will take place at the Zion Chapel gym on October 28 at 8:00 p.m. The carnival festivities will begin at 5:30 and will be held in the elementary building except for the Monster Mash Dance, which will be held in the lab. Tickets can be purchased at the elementary

school.

door for 25 cents. All money raised during the carnival festivities goes back into the school fund and will be used in purchasing needed items for the school.

Thanks to all of you in Elba for being my "Good Neighbors."

AHSSE

By: Astrid Blaschka

The Alabama High School Graduation Exam was given on October 7, 8, and 9. The test is given to students in their junior year and to seniors who have not already taken it. The test covers basic skills in reading, language, and mathematics. The test is not timed so students can work at their own pace. Students must pass this test before graduating from an Alabama high school.

The tests are graded by the State Department in Montgomery. The scores should be back in three to four weeks.

SENIORS CONTINUE TO MAKE PLANS FOR GRADUATION

By: Shelia Rugg

The 1987 graduating class of Zion Chapel High School is continuing preparation for graduation in May of next year.

On Wednesday, October 1, the Balfour representative came and met with the senior class to discuss accessories needed for graduation. These accessories included invitations, name cards, memory albums, announcement covers, appreciation folders, graduation party cards, thank you notes, informal notes and senior keys.

The invitations for graduation were selected by the senior class. The class was given brochures and order forms and one week to make their selections. On Wednesday, October 8, the Balfour representative returned and with a deposit, the seniors were able to place their orders. The colors of the senior keys, which are red and gray, were voted on by the seniors who ordered them.

FUTURE HOMEMAKERS OF AMERICA MEET

By: Cheryl Faison

On Wednesday, October 1, the Zion Chapel Chapter of the Future Homemakers of America held its second meeting in the Home Economics Department. Discussed at the meeting was plans for a fund raiser, a community service project, ideas to boost membership and ideas to enhance the 1986-87 national theme "Spotlight on You."

Selling candy and a Sweetheart Pageant and Dance were discussed as possible fund raisers. With the proceeds from a fund raising project the chapter plans to pay for its community service project. For the 1986-87 service project the members voted on a possible visit to one of the area nursing homes at Christmas to sing carols and distribute gifts.

Some ideas for boosting membership included students recruiting their friends who have not yet joined, posters and a "link up" with FFA campaign. Mrs. Marsha Oggs, chapter sponsor, shared with members the idea to spotlight an FFA member of the month. The members welcomed the suggestion and nominated their choices. From the nominees Astrid Blaschka was selected as member of the month. She is also FFA vice-president.

Requirements for the selection "Member of the Month" is being a good student, friendly and courteous and contributing to the FFA organization.

MRS. OGGS APPRECIATION WEEK

By: Lavonia Johnson

The Zion Chapel Rebel Marching Band took the week of September 29-October 3 as "Mrs. Oggs Appreciation Week."

Mrs. Marsha Oggs has been a big help to the Rebel Marching Band. She has helped with the colorguard uniforms, the making of the American Flag and most of all she's showed support and love for the ZC Band. To thank Mrs. Oggs for her help, support and time the band sent roses Monday and the Band officers sent roses Friday. The woodwind, brass, colorguard, percussion sections and the whole band together put little messages of "thanks" each day on the announcement sheet.

FFA SELLS ORANGES

By: Brian McLeod

The Zion Chapel Future Farmers of America has begun its annual orange sales. The purpose of the orange sales is to raise money for the FFA and Agri-business department. The money is used to buy equipment for the shop and to cover expenses for various FFA activities. The sales will continue for approximately one more week. Orders can be placed with members of the Zion Chapel FFA. The cost of the oranges are Navel, \$15; Hamlin, \$13; Tangeloos, \$13; White Grapefruit, \$12; and Pink Grapefruit \$12. The oranges will arrive the second week in December. They will be delivered by the people who sold them or they can be picked up at the Agri-business department.

BETA CLUB NEWS

By: Brenda Mobley

The second monthly Beta Club meeting was held on October 1, 1986, in Mrs. Mary Herbert's room. New initiatives were attending their first Beta Club meeting. It was explained to them that the Beta Club is one that honors and expects achievement, character and leadership from its members. They were also told about club dues, the upcoming sales and the annual service project. The Betas will be selling a number of articles, several kinds of cookies, Christmas gifts and decorations, key chains, jewelry, coffee mugs, posters, placemats and many, many other items will be sold.

The money raised will fund the annual "Operation Santa Claus" project sponsored by the Beta Club. The Beta members help Santa Claus visit budget problems and in return, he visits the elementary school right before Christmas holidays and brings presents.

If you would like to order anything to help support the Beta Club, please see a member to get more information.

SPANISH CLUB

By: Diane Parker

The Spanish Club met Wednesday, October 1, 1986 for a monthly meeting with President Cheryl Faison, presiding.

Mrs. Rhonda Brunson, Spanish Club sponsor, appointed a committee to plan programs for the year. Committee members are Randy Flowers, Dana Dean, Judy Carter, David Jackson, Wayne Davis, Lisa Holcomb, Rhonda Jackson, Michelle Oglesby, Mike Holley and Ashley Wise.

The program committee decided that they would meet at a night meeting to discuss program ideas for the 1986-87 club year. They will choose a place that serves pizza as a site for their meeting.

Mrs. Brunson told the members that she hopes the Spanish Club will be able to attend the Spanish Convention in the Spring and participate in the competitions.

COLORGUARD AND DRUMLINE RECEIVES HELP

By: Lavonia Johnson and Camille Marler

Coming to Zion Chapel to help the colorguard prepare for contest, Miss Raily, who now works for the Montgomery Journal and Advertiser, showed the colorguard members the proper way to carry their bodies when walking to the back of the field during the drill "Fire Dance."

Then Miss Raily helped the colorguard with several different dance steps and moves that go to the song "C-Jam," which features the colorguard. She also showed them how to make all of their head and body movements during their performance look sharper.

Mr. Marcus Hart, a Troy State University graduate, came to Zion Chapel on Thursday, October 9, to help the band's drum line prepare for the contest at O'Pac. He corrected certain things on "Fire Dance," the drum solo, "C-Jam" and "God Bless the U.S.A." On "Fire Dance" Hart worked with the snare drums and quadruplets on the rhythm pattern they were supposed to produce.

HOW DO I LOVE THEE?

By: Diane Parker

For the past week Mrs. Rhonda Brunson's Senior Literature classes have been studying sonnets. A sonnet is a poem of fourteen lines, written in iambic pentameter. That is, the meter provides for ten syllables to the line with stress on every other syllable.

The classes were responsible for finding a sonnet, writing or retyping it on sheet of paper and rewriting or retyping it on another sheet. On the second sheet the students were to place the necessary rhyme schemes and stress and unstress marks where needed. On the last sheet they were to write the interpretation of the sonnet in his or her own words. These were completed and turned in on October 10, 1986 for major test grade.

MR. PAT TAYLOR, ZION CHAPEL GUIDANCE COUNSELOR

By: Cheryl Faison

Mr. Pat Taylor is someone with several responsibilities who is depended upon greatly by the students, faculty and administration of Zion Chapel High School.

Mr. Taylor is a guidance counselor. As a counselor he helps students make decisions concerning their vocational education. He receives and distributes information about financial aid and scholarships for students planning to further their education.

Before the school semester began, Mr. Taylor prepared the schedule of courses to be offered and their time periods. The most recent schedule change Mr. Taylor helped plan is the seven period schedule. This schedule has given almost every student a well needed study hall.

Another of Mr. Taylor's responsibilities is helping administer tests such as the Armed Services Vocational Aptitude Battery (ASVAB) or the Alabama High School Graduation Exam (AHSSE) to students. He is responsible for keeping records on individual students and total enrollment.

Mr. Taylor worked previously at Kinston High School and has been a counselor for twelve years. He has a B.S. degree from Troy State University and a M.S. from Valdosta State University in Georgia.

Mr. Taylor stated he liked his job because "I enjoy working with young people." His wife, Diane, is an oral hygienist and works in O'Pac.

Support The Weak

Anybody can act tough. There was a time when all boys were supposed to be "manly," and all girls were expected to be charming and "delicate." Times and images are changing. It's no longer considered weak or shameful for men to cry in public, and it's alright for a girl to ask a boy out on a date. Nothing is wrong with changes, as long as they're in manners modest and honorable to Jesus. Most importantly, we're learning to care more for one another than for our own image or our own satisfaction. Who would have expected a day when politicians and entertainers would band together for converts to aid the hungry?

As believers, we've known all along that God wants us to be considerate of each other. We are told to help those who may be "weaker," or less grown-up in their faith. "We then that are strong ought to bear the infirmities of the weak, and not to please ourselves." (Rom. 15:1).

We are to be patient with fellow Christians. God has not given us permission to push them around. We haven't got a divine order to make our brothers and sisters fit into our mold. We're to help others grow in Christ.

SPANISH IS THE NEW LANGUAGE AT ZC

By: Brian McLeod

One of the subjects in Zion Chapel's advanced curriculum is Spanish. This is the third year Spanish has been in the curriculum. It is a required course for students trying for an advanced diploma. The course is taught by Mrs. Rhonda Brunson. There are two classes of Spanish being taught this year, Spanish I and Spanish II. The reason for teaching Spanish instead of another foreign language is that Spanish is more widely spoken in this region. Therefore, it would be more beneficial to the students.

The Spanish Club is open to all students who are presently taking Spanish or who have already taken Spanish. The Spanish Club has taken trips the past two years. In 1985 they went to the Spanish Club Convention at the University of Alabama in Tuscaloosa and last year they went to Walt Disney World and the Epcot Center in Orlando, Florida.

FRAN CHIRICO IS THE GOLD KEY PRESIDENT

By: Brenda Mobley

Fran Chirico, senior at ZC, has recently been elected to president of the 4-H Gold Key Fraternity. She has been a member for several years, along with Brian McLeod, who is also a senior at ZC. The fraternity is a club for senior 4-H'ers who have been active as junior 4-H'ers. The members must exert leadership, encourage younger 4-H'ers and participate throughout the year in 4-H activities.

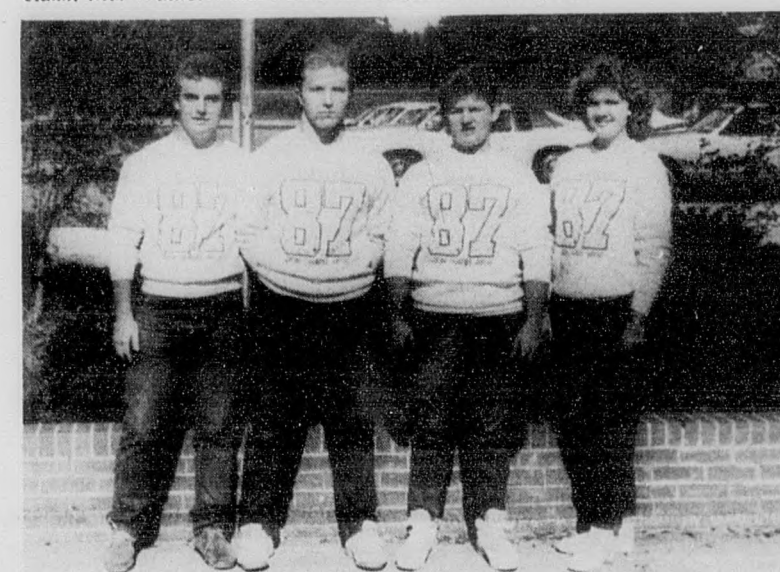

The members are students from Elba, Zion Chapel, Enterprise, Kinston and New Brocton. The fraternity has 10 of last year's club members joining them again and new members were to join in October.

ENERGY ON THE MOVE

By: Pete Bryan

Thanks to a grant from Alabama Power Company, the University of Alabama at Birmingham was able to entertain the students with a program on electricity entitled **Energy On The Move**. Mr. Tom Walker was the speaker at the program. Mr. Walker talked about Alabama's energy sources and needs. He explained several forms of producing electricity and discussed the other fossil fuels, coal, oil and natural gas. He also informed the students that Alabama depends on coal for 60 percent of its power, 30 percent of Alabama's power is nuclear and 10 percent of the electricity comes from hydroelectric power plants.

With the help of several student volunteers, Mr. Walker was able to demonstrate how a generator can supply power to operate appliances in an average home. By peddling a bicycle with a generator attached to the wheel, the volunteers were able to produce electricity. He was also able to demonstrate a Van De Graff generator which produced over 60,000 volts of static electricity. Because fourth period ended and students had to return to class, Mr. Walker wasn't able to complete the program.

The senior class wore their new shirts Friday, Oct. 10, on "Senior Pride" day. Seniors left to right are: Stacy Hussey, David Johnson, Paul Nelson and Denise Hussey.

Harvest Queen And King Will Be Crowned In Special Ceremonies

By: Tammy Duncan

The time has arrived once again for Zion Chapel to select a new 1986-87 Harvest Queen and King. The students that are selected are chosen by their classmates. Each student that raises the most money will then be crowned the new Harvest Queen and King.

The participants for this year's Harvest Queen and King are: kindergarten, Ashley McDermott, Jeremy Bray, Tabitha Owens and Amanda Rainey; first grade, Josh Buckhalter and Salena Shuman;

second grade, Derek Faulk and Melissa Kelley; third grade, Chris Hinson, Cindy Langley and Suzy Bryan; fourth grade, Pat Moates and Felicia Thrift; fifth grade, David Levert, Laura Brown, Chris Hanley and Ginger Stewart. The crowning of the new Queen and King will take place at the Zion Chapel gym on October 28 at 8:00 p.m. The carnival festivities will begin at 5:30 and will be held in the elementary building except for the Monster Mash Dance, which will be held in the lab. Tickets can be purchased at the elementary

door for 25 cents. All money raised during the carnival festivities goes back into the school fund and will be used in purchasing needed items for the school.

McLeod Named DAR Good Citizen

By: Sheila Rugg

Brian McLeod, a senior at Zion Chapel High School, was nominated by the high school faculty and elected by his senior classmates for the Daughters of the American Revolution (DAR) Good Citizenship Award.

Brian is very active in school functions. He is a member of the Beta Club, Student Council, Spanish Club, Future Business Leaders of America, Future Farmers of America and Fellowship of Christian Athletes. He plays football and is also the president of the Senior Class.

ASHGE
By: Astrid Blaschka

The Alabama High School Graduation Exam was given on October 7, 8, and 9. The test is given to students in their junior year and to seniors who have not already taken it. The test covers basic skills in reading, language, and mathematics. The test is not timed so students can work at their own pace. Students must pass this test before graduating from an Alabama high school. The tests are graded by a computer at the State Department in Montgomery. The scores should be back in three to four weeks.

SENIORS CONTINUE TO MAKE PLANS FOR GRADUATION

By: Sheila Rugg

The 1987 graduating class of Zion Chapel High School is continuing preparation for graduation in May of next year.

On Wednesday, October 1, the Balfour representative came and met with the senior class to discuss accessories needed for graduation. These accessories included invitations, name cards, memory albums, announcement covers, appreciation folders, graduation party cards, thank you notes, informal notes and senior keys.

The invitations for graduation was selected by the senior class. The class was given brochures and order forms and one week to make their selections. On Wednesday, October 8, the Balfour representative returned and with a deposit, the seniors were able to place their orders. The colors of the senior keys, which are red and gray, were voted on by the seniors who ordered them.

FUTURE HOMEOWNERS OF AMERICA MEET

By: Cheryl Faison

On Wednesday, October 1, the Zion Chapel Chapter of the Future Homemakers of America held its second meeting in the Home Economics Department. Discussed at the meeting was plans for a fund raiser, a community service project, ideas to boost membership and ideas to enhance the 1986-87 national theme, "Spotlight on You."

Selling candy and a Sweetheart Pageant and Dance were discussed as possible fund raisers. With the proceeds from a fund raising project the chapter plans to pay for its community service project. For the 1986-87 service project the members voted on a possible visit to one of the area nursing homes at Christmas to sing carols and distribute gifts.

Some ideas for homecoming included students recruiting their friends who have not yet joined, posters and a "link up" with FFA campaign. Mrs. Marsha Oggs, chapter sponsor, shared with members the idea to spotlight an FFA member of the month. The members welcomed the suggestion and nominated their choices. From the nominees Astrid Blaschka was selected as member of the month. She is also FFA vice-president. Requirements for the selection "Member of the Month" is being a good student, friendly and courteous and contributing to the FFA organization.

MRS. OGGS APPRECIATION WEEK

By: Lavonia Johnson

The Zion Chapel Rebel Marching Band took the week of September 29-October 3 as "Mrs. Oggs Appreciation Week."

Mrs. Marsha Oggs has been a big help to the Rebel Marching Band. She has helped with the colorguard uniforms, the making of the American Flag and most of all she's showed support and love for the ZC Band. To thank Mrs. Oggs for her help, support and time the band sent roses Monday and the Band officers sent roses Friday. The woodwind, brass, colorguard, percussion sections and the whole band together put little messages of "thanks" each day on the announcement sheet.

FFA SELLS ORANGES

By: Brian McLeod

The Zion Chapel Future Farmers of America has begun its annual orange sales. The purpose of the orange sales is to raise money for the FFA and Agri-business department. The money is used to buy equipment for the shop and to cover expenses for various FFA activities. The sales will continue for approximately one more week. Orders can be placed with members of the Zion Chapel FFA. The cost of the oranges are Navel, \$15; Hamlin, \$13; Tangelos, \$13; White Grapefruit, \$12; and Pink Grapefruit \$12. The oranges will arrive the second week in December. They will be delivered by the people who sold them or they can be picked up at the Agri-business department.

BETA CLUB NEWS

By: Brenda Mobley

The second monthly Beta Club meeting was held on October 1, 1986, in Mrs. Mary Herbert's room. New initiatives were attending their first Beta Club meeting. It was explained to them that the Beta Club is one that honors and expects achievement, character and leadership from its members. They were also told about club dues, the upcoming sales and the annual service project. The Betas will be selling a number of articles, several kinds of cookies, Christmas gifts and decorative key chains, jewelry, coffee mugs, posters, placemats and many other items will be sold.

The money raised will fund the annual "Operation Santa Claus" project sponsored by the Beta Club. The Beta members help Santa Claus with budget problems and in return, he visits the elementary school right before Christmas holidays and brings presents.

If you would like to order anything to help support the Beta Club, please see a member to get more information.

SPANISH CLUB

By: Diane Parker

The Spanish Club met Wednesday, October 1, 1986 for a monthly meeting with President Cheryl Faison, presiding. Mrs. Rhonda Brunson, Spanish Club sponsor, appointed a committee to plan programs for the 1986-87 year. Committee members are Randy Flowers, Dana Dean, Judy Carter, David Jackson, Wayne Davis, Lisa Holcomb, Rhonda Jackson, Michelle Oglesby, Mike Holley and Ashley Wise. The program committee decided that they would meet at a night meeting to discuss program ideas for the 1986-87 club year. They will choose a place that serves pizza as a site for their meeting. Mrs. Brunson told the members that she hopes the Spanish Club will be able to attend the Spanish Convention in the Spring and participate in the competitions.

COLORGUARD AND DRUMLINE RECEIVES HELP

By: Lavonia Johnson and Camille Marler

Miss Doreen Raitt, a graduate from Troy State University, took her time to come to Zion Chapel to help the colorguard prepare for contest. Miss Raitt, who now works for the Montgomery Journal and Advertiser, showed the colorguard members the proper way to carry their bodies when walking the back of the field during the drill "Fire Dance."

Then Miss Raitt helped the colorguard with several different dance steps and moves that go to the song "C-Jam," which features the colorguard. She also showed them how to make all of their head and body movements during their performance look sharper.

Mr. Marcus Hart, a Troy State University graduate, came to Zion Chapel on Thursday, October 9, to help the band's drum line prepare for the contest at Opp. He corrected certain things on "Fire Dance," the drum solo, "C-Jam" and "God Bless the U.S.A." On "Fire Dance" Hart worked with snare drums and quadruplets on the rhythm pattern they were supposed to produce.

HOW DO I LOVE THEE?

By: Diane Parker

For the past week Mrs. Rhonda Brunson's Senior Literature classes have been studying sonnets. A sonnet is a poem of fourteen lines, written in iambic pentameter. That is, the meter provides for ten syllables to the line with stress on every other syllable.

The classes were responsible for finding a sonnet, writing or retyping it on a sheet of paper and rewriting or retyping it on another sheet. On the second sheet the students were to place the necessary rhyme schemes and stress and unstress marks where needed. On the last sheet they were to write the interpretation of the sonnet in his or her own words. These were completed and turned in on October 10, 1986 for major test grade.

MR. PAT TAYLOR, ZION CHAPEL GUIDANCE COUNSELOR

By: Cheryl Faison

Mr. Pat Taylor is someone with several responsibilities who is depended upon greatly by the students, faculty and administration of Zion Chapel High School.

Mr. Taylor is a guidance counselor. As a counselor he helps students make decisions concerning their vocational education. He receives and distributes information about financial aid and scholarships for students planning to further their education.

Before the school semester began, Mr. Taylor prepared the schedule of courses to be offered and this time periods. The most recent schedule change Mr. Taylor helped plan is the seven period schedule. This schedule has given almost every student a well needed study hall. Mr. Taylor is also responsible for helping administer tests such as the Armed Services Vocational Aptitude Battery (ASVAB) or the Alabama High School Graduation Exam (AHSGE) to students. He is responsible for keeping records on individual student's registration and total enrollment.

Mr. Taylor worked previously at Kinston High School and has been a counselor for twelve years. He has a B.S. degree from Troy State University and a M.S. from Valdosta State University, Georgia.

Mr. Taylor stated he liked his job because "I enjoy working with young people." His wife, Diane, is an oral hygienist and works in Opp.

Gamecocks Post 42-20 Homecoming Win

By JENNIFER CAMPBELL

The New Brockton Gamecocks scored early in the first quarter to take the lead but didn't pull away until the final stanza as they dumped the Coffee Springs Golden Bears 42-20 to record the homecoming victory last Friday night.

The Golden Bears were unable to move the ball after returning the opening kickoff to their own 14-yard line and four plays later punted it away. A 28-yard kick gave New Brockton excellent field position at the Coffee Springs 45-yardline. The Gamecocks wasted no time in scoring as they covered the distance in only five plays with quarterback Curt Smith rolling up 32 yards on the drive, including a 19-yard spring for the touchdown. Placekicker Toby Lee booted the extra point and only 3:32 into the first stanza Brockton owned a 7-0 lead.

Neither team could mount productive drives on their next possessions and as the first quarter ended the Gamecocks had the ball at their own 35-yardline. Coach Boutwell used four ball carriers to move the ball inside Bear territory at the 45-yardline. From there it was all Curt Smith as he took the snap and raced 45 yards for the score! Lee added the p.a.t., and with 9:08

remaining in the first half New Brockton had pulled out to a 14-0 lead.

Coffee Springs had come to play ball and demonstrated a lot of talent on the ensuing drive as they marched 75 yards in eight plays for their first score of the evening. Sparking the drive was a 32-yard strike from quarterback Marc Moore to Edward Osborne and a 21-yard romp by tailback Junior McCray. It was McCray who carried the final 8 yards for the TD and Billy Webb added the p.a.t. to pull the Bears within a touchdown of the Gamecocks at 14-7 with 6:09 to play in the half.

Toby Lee returned the ensuing kick to the New Brockton 29-yardline and it took the Gamecock offense three-and-a-half minutes to go the distance with Myron Williams carrying the final three yards for the score. Curt Smith kept the drive going as he rolled up 36 yards rushing and tossed a 22-yard strike to Bo Pittman. Lee's p.a.t. was successful and with 2:23 still remaining in the second quarter Brockton again had breathing room with a 21-7 margin.

But the half wasn't over as Coffee Springs took over on their own 49-yardline following the kick and a late hit penalty. Junior McCray

carried for no gain.) Gamecock Shawn Kelley dropped quarterback Marc Moore for a 9-yard loss and a third down Bear pass fell incomplete.

Coffee Springs punted the ball away and when Tom Gibson fumbled at his own 27-yardline, Bear Scott Ballard picked the ball up and scrambled to paydirt! Billy Webb made the point-after good, and with 49 left in the half it was again a close ball game with New Brockton holding on to a 21-14 lead.

New Brockton's Donnie Smith returned the second half kickoff to his own 30-yardline and the Gamecock offense once again went to work reaching paydirt 10 plays later on a 7-yard run by Curt Smith. Varrick Haynes carried for 26 yards on the drive as Myron Williams rolled up 37 yards on 4 carries. The point after was good, and with 7:20 remaining in the third stanza it was New Brockton 28, Coffee Springs 14.

The Golden Bears came right back on the ensuing drive as they marched 62 yards in 8 plays for what was to be their final score of the game as they trimmed the Gamecocks' lead in the field in 7 plays with Myron Williams carrying the ball in from the Bear 30-yardline. Following the p.a.t. New Brockton had stretched their lead to 42-20 with just under 4:00 to play.

Coffee Springs' last drive ended when New Brockton's Curt Smith picked off a Marc Moore pass and returned it to the Bear 23-yardline. The Gamecock second string saw action late, turning the ball over on downs at the Coffee Springs 16-yardline as the clock ran out.

New Brockton's Myron Williams led all rushers with 108 yards on 17 carries for an average of 9.9 yards per carry, and two touchdowns. Varrick Haynes rushed 21 times for 149 yards and one touchdown. Gamecock quarterback Curt Smith had a bit night as he rushed for 141 yards on 14 carries, scored 3 touchdowns, completed 3 of 5 passes for 35 yards and intercepted one Bear pass.

Junior McCray (24) gained 67 yards on 19 carries to lead the Coffee Springs ground attack. New Brockton will be at home this Friday night as they take on Highland Home in their second Area matchup of the season. Game time is 7:30 p.m.

Elba Junior Tigers Surprise Enterprise 6-3

The Elba Junior High Tigers scored with only 31 left in the first half to grab the lead and then held on to defeat the Enterprise Junior High Wildcats 6-3, in Elba.

The win upped the Tigers' record

to 5-1, while Enterprise slipped to 3-3 with the loss.

Elba's Reggie Horstead intercepted a Wildcat pass early in the game and returned it to midfield to give the Tigers good field position and the Tigers promptly began a drive deep into Enterprise territory. Reggie Horstead gained 18 yards on three carries and rammed 16 yards with a screen pass to give the Tigers a first down at the 28. While a penalty moved the ball to the 12 and put Elba in scoring position.

Reggie Horstead got the call on three straight plays and moved the ball to the 6-yardline; however, Horstead was stopped on fourth down as Enterprise turned back the Tiger threat.

Enterprise returned a punt to the Elba 32-yardline early in the second quarter and drove to the Elba 6-yardline, only to be hit with a holding penalty that moved the ball back to the 16. The Wildcats got back to the 9 and on fourth down Rex Evans kicked a 27-yard field goal to give Enterprise a 3-0 lead with 1:04 left in the half.

The Tigers gained only two yards on first down following the ensuing kick and seemed content to run out the clock; however, on second down the Tigers' Tim Caldwell took a handoff, broke outside and raced 76 yards for a touchdown to give Elba a stunning 6-3 lead with only 31 left on the clock. The two-point conversion failed, but at the half Elba went in with a 6-3 lead over the shocked Wildcats.

Neither team could mount a drive on their initial offensive series of the second half; however, Elba did get on track on its second possession and drove to the Enterprise 14, only to

come away empty-handed. Tim Caldwell gained 34 yards on six carries and Jackie Stoudemire gained 10 yards on a reverse to spark the Tigers' drive, but the drive bogged down at the 14-yardline, and on fourth down Wade Hart's 30-yard field-goal attempt sailed wide to the left.

Enterprise drove 42 yards on its next possession as it reached the Elba 38-yardline, but the Tiger defense dug in, and on fourth-down-and-nine the Wildcats fell far short on a pass completion.

The Wildcats got the ball back with 1:39 left in the game and again began a drive toward a possible winning score, only to see Elba again mount a defensive stand and hold the 'Cats on a fourth-down play at the Elba 34-yardline to preserve the 6-3 win.

Tim Caldwell gained 111 yards on 12 carries to lead Elba, while Jackie Stoudemire added 26 yards on 4 carries and Reggie Horstead gained 18 yards on 7 carries. Curtis L. Whitehurst gained 102 yards on 17 carries to lead Enterprise and Prentiss Modisett added 45 yards on 12 carries.

Anthony Brooks made 10 tackles to lead the Elba defense, while other top tacklers included Joe Brooks (8), Keith Henderson (6) and Wade Hart and Kevin Matthews with 5 apiece.

Zion Chapel Holds Off Kinston To Post 8-0 Win

By GREG BRUNSON

The Zion Chapel Rebels and the Kinston Bulldogs met this past Friday night in a real old-fashioned defensive struggle. Both teams moved the ball well only to have troubles when they got into scoring position. The Rebels pushed the ball in one time then turned things over to their defense to post a big 8-0 win.

The Bulldogs had the first scoring opportunity of the evening when the Rebels mishandled a snap on a punt turning the ball over at the Zion Chapel 23-yardline. Kinston rushed to one first down before being forced to attempt a 26-yard field goal that was no good.

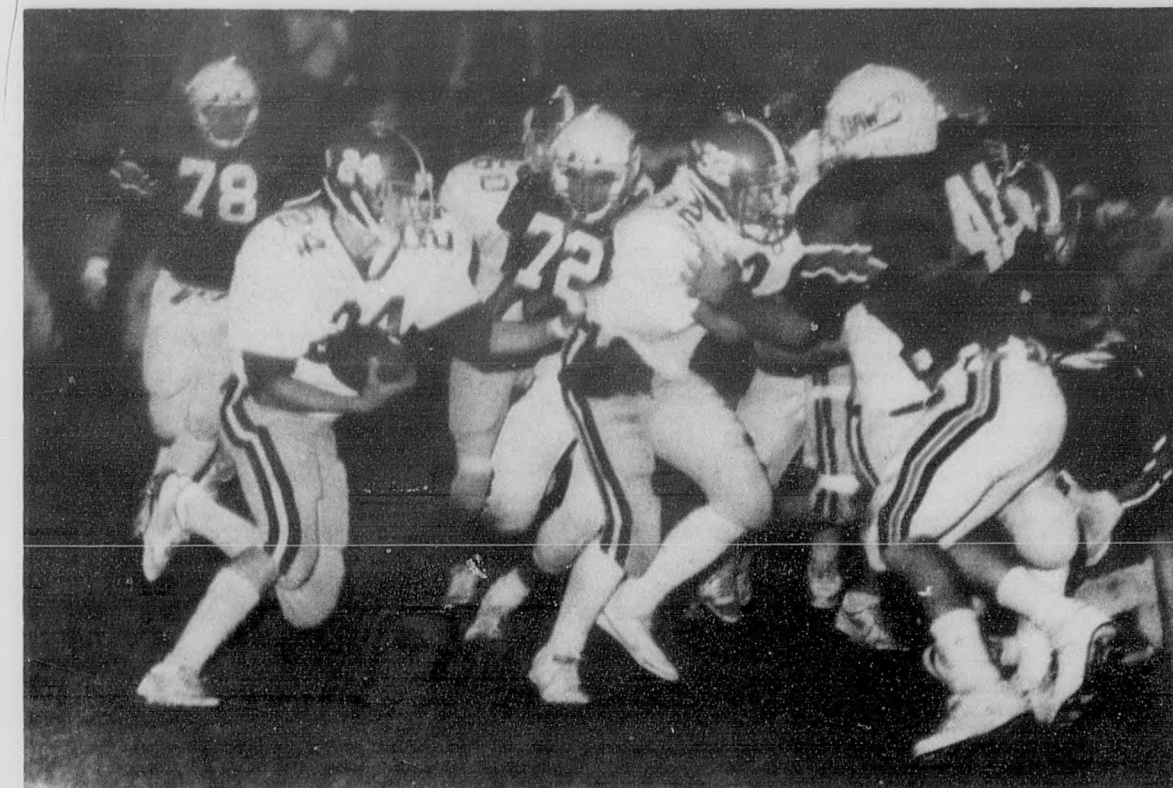

An exchange of punts gave Zion Chapel the ball at their own 40-yard line. From this point, Thomas Boswell rushed 8 times for 34 yards in this 11 play drive that ended on a 4-yard touchdown run by Boswell. Roland Bell passed to Bryan Aming for the two-point conversion to give Zion Chapel an 8-0 lead with 9:33 to play in the first half.

The Bulldogs took the ensuing kickoff and marched right back down the field. Dodd Hawthorne completed two passes and Todd Hawthorne passed for another 23 yards on this drive.

On the fourth play of the drive, Dodd Hawthorne was rolled out of bounds inside the one-yard line on a fourth-and-goal play from the two.

The second half opened with both teams playing hard-hitting defense. An exchange of punts late in the third quarter gave Zion Chapel the ball at their own 36-yardline. Kinston stopped this possession when Travis Carley intercepted a Roland Bell pass at midfield. The Bulldogs were held to three plays and a punt, giving the Rebels the ball at their own 11-yardline.

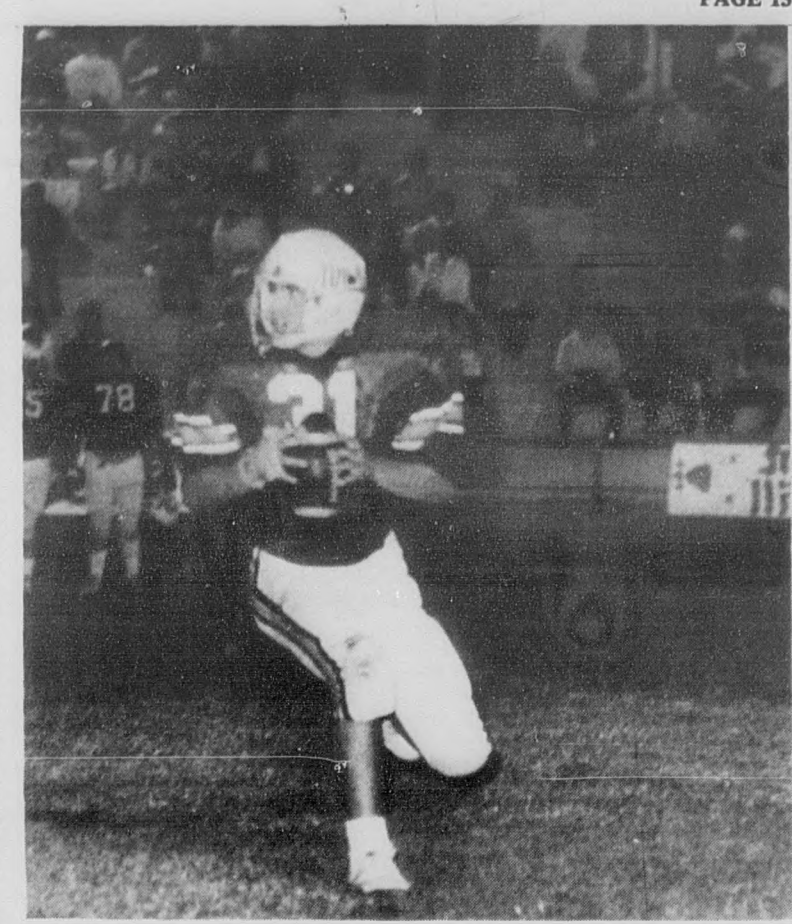

On the third play, Robert Smith

Zion Chapel halfback Thomas Boswell (24) follows the block of teammate Brian McLeod (32) as Kinston defenders Scotty Edwards (41) and Larry Parker (72) close in.

Zion Chapel cheerleaders keep the spirit on the sidelines as the Rebels roll to a win.

Kinston halfback Todd Hawthorne (31) pulls up to pass after taking a pitchout in last week's 8-0 loss to Zion Chapel.

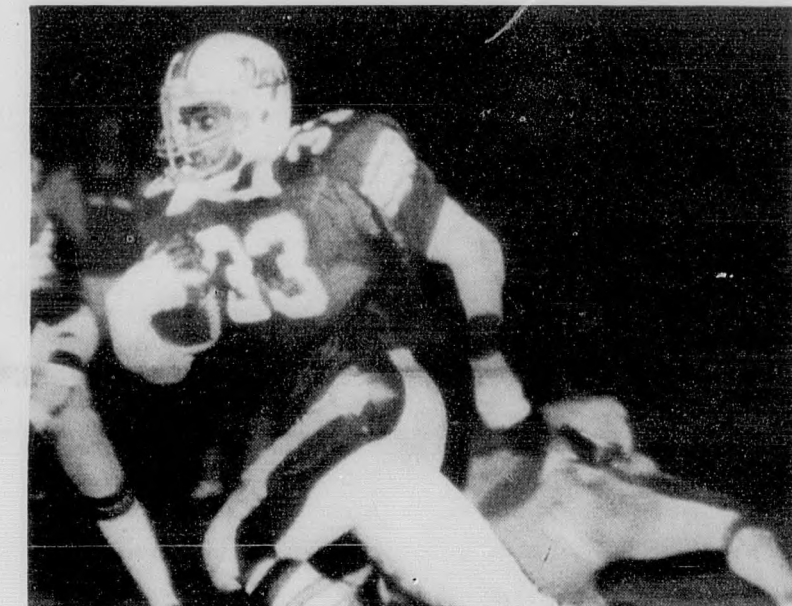

took a pitchout and raced around right end for a 46-yard gain giving the Rebels excellent field position. The Bulldogs' defense stiffened, giving the offense one final chance.

The Rebels' defense was up to the task as they allowed only two yards on three plays before Kinston was forced to punt.

Zion Chapel took the ball and ran out the clock to capture a big 8-0 win.

Thomas Boswell was the game's leading rusher with 98 yards on 23 carries. Robert Smith added 92 yards on only 5 attempts and Brian McLeod gained 35 on 13 tries.

Brantley Bulldogs Blank

Highland Home 21-0

By BILLY WAYNE WILLIAMSON

The Brantley Bulldogs took advantage of Highland Home turnovers to score 21 points in the second quarter and held on to blank the Flying Squadron 21-0, last week in Highland Home.

The win upped Brantley's record to 4-4, while Highland Home slipped to 4-4 with the loss.

Neither team was able to mount an offensive threat early in the contest; however, the Bulldogs did get their offense cranked up late in the opening stanza and drove to the Highland Home 31-yardline, only to lose a fumble. The short drive was highlighted by a 14-yard run by Brad Kimbro and a 27-yard scamper by Doug Salter and covered 47 yards in only 3 plays.

Brantley got the ball back on a punt following the turnover and this time wouldn't be denied as the 'Dogs drove 64 yards in 8 plays to get on the scoreboard! A 14-yard run by Doug Salter got the drive off to a fast start, while an 11-yard pass from Shawn Wilcox to Giles Bryan got the Bulldogs into Flying Squadron territory.

A 34-yard run by Salter moved Brantley within the shadows of the goal post, and two plays later Brad Kimbro bulled over from 1 yard out for the Bulldog touchdown. Doug Salter added the extra point, and with 10:30 left in the second quarter Brantley had the lead for good at 7-0.

Brantley's Andy Kimbro recovered a Highland Home fumble two plays following the ensuing kickoff at the Flying Squadron 26-yardline, and the Bulldogs needed only six plays to add to their lead!

A 14-yard run by Doug Salter gave Brantley a first down at the 12, and on fourth-down-and-one Brad Kimbro scored on a 3-yard blast for the 'Dogs' second score in less than 4 minutes! Doug Salter again added the extra point and with 6:52 still left in the half Brantley's lead was up to 14-0.

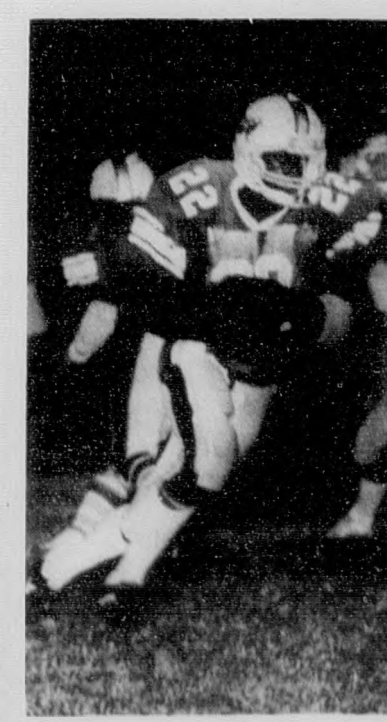

Brad Kimbro continued his outstanding play on both sides of the ball throughout the stanza and late in the quarter put the Bulldogs back in scoring position when he recovered a fumble at the Highland Home 20-yardline. Runs by Salter and Kimbro moved the ball to the 9, and

on fourth down Shawn Wilcox got the score on a 3-yard scamper. Salter added the extra point to give the Bulldogs a big 21-0 lead with only 3:32 left in the half!

The second half was filled with action as both teams moved the ball up and down the field with consistency; however, neither team scored any points on the score board, and at the final horn Brantley had the win 21-0.

Doug Salter gained 125 yards on 13 carries to lead the Brantley offense, while Brad Kimbro added 59 yards on 10 carries and scored 2 touchdowns. Doug Salter recovered 2 fumbles for the defense.

Nursing Home Spotlight

With Shirley Wise

Gracious! I missed a week with my column and it is already October 23.

My apology for skipping a week - my procrastinating finally caught up with me - as it usually does with all of us eventually. Right?

Words seem to fail me this week as I attempt to convey to you, the reader, the noble, genteel and humble characteristics found in the person of Mrs. Eva Lee Parrish Stewart, who is our Very Special Person.

Just allow me to say that she is one of the sweetest, nicest, gentlest, and loveliest ladies I've ever met. She was a great inspiration to me as we visited.

Miss Eva is sort of a stranger to our town, having been born in Pike County, about 3 miles from Brundage, and living her married life with her husband in the community of Rose Hill, in Covington County, on the old home place. After his death she returned to Brundage where she lived with her niece, Miss Leahy M. Parrish, off and on for 20 years.

She entered the nursing home August 22 of this year.

To try to give you a mental picture of Miss Eva - she is a very petite, tiny-framed lady with long, silvery gray hair which she wears in a bun and which she informed us, "has only been cut once." Lively, intelligent and inquisitive, brown eyes peek merrily from behind her glasses.

She was born December 12, 1888, one of nine children, to Mr. and Mrs. William Ivey Parrish. Mr. Parrish was called "Ive" by everyone and was a farmer. Mrs. Parrish was the former Delana Bowden.

The brothers and sisters of Miss Eva, all of whom are deceased, are: Albert, whose wife was the former Mary Shehane; they resided in Brundage.

Sam, whose wife was the former Eva Jones, and they resided in the Rose Hill Community.

Tobe, who with his wife Myrtle lived in Rose Hill.

Blanche, who was married to Dr. Anderson, and they made their home in Fresno.

Emmie, whose husband was Rufus Lankford and they lived in Covington County.

Tessie Ola, whom Miss Eva remembers as "Aunt Tess," and she was married to Gus Flowers and they lived in Brundage.

Fannie, whose husband was Jim Lord; they were residents of Covington County.

A sister, Cora, died when approximately 10 years old.

All the nieces and nephews from Miss Eva's brothers and sisters lovingly call her "Aunt Eva."

We talked on the telephone with one of her nieces, the aforementioned Miss Leahy M. Parrish, a gracious and friendly lady who has led an interesting life of her own, having served as a nurse in the Army for 26 years.

Miss Eva wed Mr. Shade Stewart, who she met Dec. 26, 1883, in the Rose Hill Community. He was a farmer, owning much farm and timber acreage in and around the Rose Hill Community.

Miss Eva remembers three of her husband's siblings: Wood, who lived in the state of Washington; Pearl, a resident of Clearwater, Fla.; and Laurie.

Mr. Shade passed away in the 30's, about three weeks after suffering a heart attack.

Miss Eva is the mother of two children - a son and daughter - both of whom died fairly young; and therein lies an unusual and coincidental story.

Clyde was 21-22 years old and drove a school bus. He told the children to be quiet one day and when he did, a boy jumped up and stabbed him to death. This tragedy occurred on the road between Rose Hill and Andalusia.

Several years later Florence was struck head-on by an oil truck and killed in the collision. The unusual thing about this is that it was at the same place on the same road where Clyde had met his death years earlier!

But wait! That very same fateful spot on that very same road was where Mr. Shade suffered his heart attack while driving in his car, and which led to his death.

So, we can see that Miss Eva is a lady acquainted with sorrow and grief, and although bowed she might be broken she is not! I repeat - she is truly an inspiration!

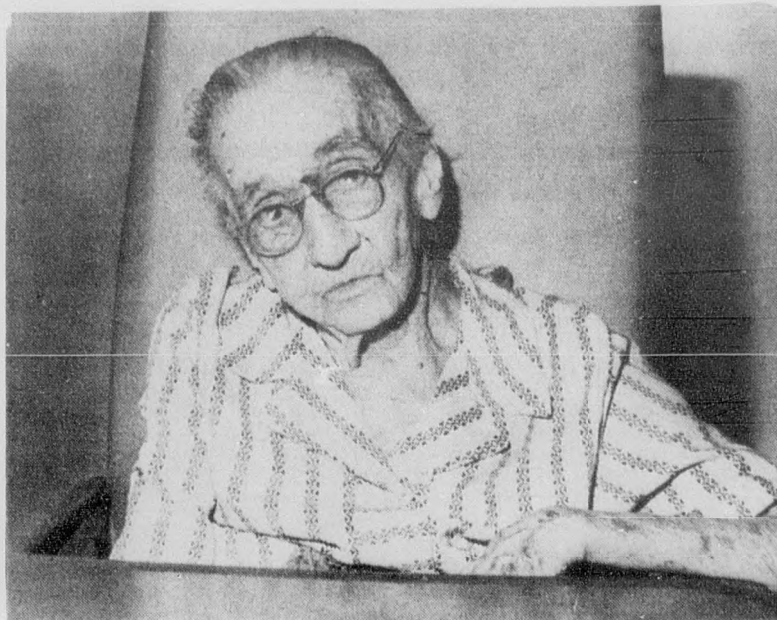

In describing her aunt, Miss Leahy had the following nice things to say about her:

"She's a very, very intelligent woman and she's very, very sweet, and if you see her smile, you can tell it immediately. She loves people and is very friendly, but she is very reserved also."

When we first approached Miss Eva and asked if we could visit and write about her, she replied with a chuckle, "What good will that do anybody?"

When asked if she liked the nursing home, she replied in a sweet yet sad and resigned voice, "Well, you have to like things."

In response to our questions about her favorites, she told us, "I don't have any special color - I like all colors. Roses are my favorite flower - I used to have the prettiest roses! But, my bushes died - you know, they're hard to grow."

Mrs. Eva Lee Parrish Stewart

"I like working with my roses, piecing quilts and quilting. I've pieced and quilted many a quilt. Where I lived a bunch of us neighbor women would get together and quilt all day and we'd have the best time! Wherever we'd be, the husband would cook a big meal, and each of us usually carried a dish."

Regarding her favorite holiday, she said, "Well, I just like all of them." But she did add, "Well, Christmas was the best part, before I found out what Santa Claus was, and when I found out, that just ruined it."

"We were just poor folks. We always had candy, fruit and nuts, but not a lot of toys. I had one store-bought doll. My uncle made pretty rag dolls and we'd get rag dolls for Christmas. He made them for us and then I learned how to make them."

When we commented that she, being 97 years old, had been born in another century, she responded, "Yes, I've seen lots of things and lots of change."

Miss Eva's church membership is at Macedonia Methodist Church in Rose Hill.

When asked what she'd change if she could live her life over, she wisely responded, "I don't know..."

Her advice to us "youngsters?" "I couldn't say anything anybody would pay any attention to! Again, wisely spoken, and probably the sad truth."

When asked if she could have one wish, what it would be, she said, "Sugar, you know I just don't think about things like that! I just hope to be agreeable and I love everybody."

Another goal for all of us, to be agreeable and love everyone!

Before we leave Miss Eva, let me say that she, like all the other residents at the nursing home, has beautiful manners. The older generation was well-brought up and trained to be polite. She asked me to put her glasses on the nightstand and promptly said, "Thank you," and when asking me to hand her a tissue, she prefaced it with, "Please."

And, gosh, it'll really get to you - having someone more than twice

your age saying "ma'am," but that is a part of their heritage. They're raising, and it is ingrained in them. Such good people one finds in the nursing homes!

Also, let us salute and mention the workers who care for the residents. They, for the most part, are dedicated, caring and loving people who help our older generation down the last part of life's highway.

Hope you enjoyed meeting Miss Eva as much as we did! Visit her and the other nursing home residents soon!

***Birthday wishes to Mrs. Sue Blair, Mrs. Madie Green, Mrs. Mamie Murdock, Mrs. Evie Kelley, and Mr. Glen Grech.

Happy birthday, everyone!

***I'd just like to say I've just finished reading one of the best books I've ever read - "Cold Sassy Tree," by Olive Burns, a story about the South, our customs, idiosyncrasies, traditions - a beautiful book with some very good lessons in it - and I highly recommend it. Find it at our local, well-stocked Elba Public Library.

***Thought for the Week: I found the following "scrap" in my "Box of Memories," and I think it rather apropos, as we go to the polls Nov. 4:

The article appeared in a newspaper (it was torn out, so I don't know which newspaper it was, nor who the author is).

There are those who will not cast their votes Nov. 4 due to lack of interest or considering their single vote will mean little in the total political picture.

But for those who have decided to "stay home" or at least not go to the polls, these facts should be considered:

Thomas Jefferson was elected President by just one vote. His election was contested and referred to an electoral commission. Again, he won by a single vote.

The man who cast that deciding vote for President Jefferson was a lawyer from Indiana who was elected to Congress by the margin of just one vote. That vote came from a client of his - who, though desperately ill, insisted on being taken to the polls to cast that one vote.

History also records that a single vote gave statehood to California, Idaho, Oregon, Texas and Washington. All the people living in those five states are citizens of the United States by the grace of just one vote.

The Draft Act of World War II passed the House of Representatives by only one vote, and in 1951 Alaska lost one bid for statehood by a single vote.

So, come Nov. 4, let's each go out and cast our one vote.

City To Continue Garbage Service To Businesses

ATTEND ELBA COUNCIL MEETING... Officials from the Waste-Away Company (front row) and Elba merchants were present at Monday's meeting of the Elba City Council to discuss problems with the proposed change in garbage pickup. The merchants won the battle with the city and will continue to be served by city garbage crews.

The Elba City Council met Monday evening and the only bit of good news got buried in the debate over the recently-approved contract to a private concern to pick up the garbage and trash in Elba.

Turbec is a French firm that manufactures electric turbines. They have built 70 plants in the past three years, both in France and the U.S.

The garbage issue centered around the reports that Waste-Away representatives had been giving estimates of monthly cost to commercial and industrial accounts that were, in some cases, hundreds of times higher than that currently being charged by the city. Many reported their costs were rising to several hundred dollars plus added expense of site work and hook-up to sewer drains.

The City Council voted to accept a number of changes recommended by Mayor Bob English. The main item on that list was to cancel the part of the contract turning the collection of garbage and trash in the commercial district over to Waste-Away. After a lengthy and often heated discussion between council members and representatives of Waste-Away, the council voted 4-1 to accept the changes. Councilman Jack Prescott opposed the action and said he favored voiding the entire contract. However, with the latest vote, Waste-Away will begin collecting residential garbage on Monday, Nov. 3, as advertised in *The Elba Clipper* this week.

Prescott opened his discussion of the matter with an apology to the people of Elba. Waste-Away officials, etc. He said he, for one, hadn't looked into the matter closely enough before voting. He noted he had no idea the cost was going to shoot up so high on the local businesses. Prescott also opposed changing the section of the contract that allows the city to cancel the contract for any reason within 45 days. A change recommended by English would extend that time for ten days or more. Before the meeting adjourned but after the vote was taken, Prescott left the meeting saying it was "wrong and you folks are going to find out one day."

On Tuesday questions about the legality of changing the contract without taking new bids arose and were checked out with authorities. They received a verbal opinion from Montgomery that it was legal to remove the commercial accounts, but to make other changes would violate the Alabama bid law. At presstime it had not been made clear if Waste-Away and the City of Elba had a valid contract both would accept, or not.

The last official word was that Waste-Away would pick up the residential garbage and the City of Elba would continue picking up the commercial and industrial garbage as before with adjustments to be made in December based on cost estimates.

Coffee County Commission Hears Request For Tax Relief

The Coffee County Commission met in regular session on Monday, Oct. 27, at the courthouse in Enterprise and heard a building contractor request relief from the commission on the new 1-cent sales tax on all construction started prior to the adoption of the tax.

Mr. Gene Reynolds, representing a number of contractors, told the commission that contractors and sub-contractors would lose one percent of their material costs on current projects if the commission failed to give the builders some relief.

Reynolds explained the sales tax wasn't adopted when many projects now under construction were started and the extra tax couldn't be passed on to the buyer. He stated the relief would help the contractors save a large amount of money across the county, and gave as an example of construction now underway a new motel and shopping center in Enterprise. Reynolds stated the new sales tax could be added on to the cost of projects in the future, but would place a burden only on the contractor at this time.

The commission was in favor of granting contractors an exemption for construction underway at the time of the sales tax addition, but stated each contractor would have to provide documentation of the starting date of the construction and each case would have to be considered individually.

The commission told Reynolds it would have to contact the state to see if such an exemption was lawful and only then would it consider any requests.

The meeting began at 9 a.m. and the first order of business was to open numerous bids on a variety of items.

Two bids were received for road signs with Vulcan Signs receiving the contract with a low bid against ABC Manufacturing.

Bids on plant mix and asphalt drew the largest number of bids with all three bidders receiving a portion of the contract. S&C Materials and Paving of Elba received the biggest portion of the contract as low bidder on hot bituminous pavement delivered to the jobsite; however, it, along with Couch and Wiregrass Construction, were all rewarded contracts for the purchase of pavement at the plant.

The purchase of pavement at the plant will be determined upon the site of the construction work and the distance of the plant from the site.

A number of bids were received

on pipe, with each bid containing a large number of sizes on different pipes. The contract was split between Choctaw and Brown, each of which was low on all the sizes.

Other successful bidders included Southeast Materials Corp. on crushed stone and Koppers Co., Treated Timbers Products and Hill Wholesale Lumber on treated timber for use in the county's highway department.

County Health Officer Kenneth Ball reported on the success of the department's weatherization program over the past four years and told the commission the program had brought over \$400,000 into the county from federal sources.

Ball stated that 371 homes in the county had been weatherized since the program originated in 1983, and that a total of \$431,000 in federal funds had been received for the repairs. The program is available to elderly and low income households in the county and anyone wishing to check into the program should contact Ruth Mack at the Health Department on either Wednesday in Enterprise, or Friday in Elba. Proof of income is required.

In other action at Monday's meeting, the commission:

- Approved the minutes of the previous meeting as read;
- Rejected all bids on fencing material and agreed to re-submit bids to be opened at the next meeting;
- Approved to submit a grant application for a Community Development Block Grant for the possible use of constructing water systems at County Line, Roeton and Mt. Pleasant;
- Received a request from a rural resident to place a school bus stop at an intersection for use in inclement weather;
- Approved the plan at the landfill was in need of repairs at an estimated cost of over \$5,000;
- Postponed work on a ball field until spring, for the New Brockton Elementary School due to a backlog of work and problems with broken down equipment;
- Approved a request from the county engineer that all pipe requests be issued a permit with the understanding that the work would be done within two weeks;
- Agreed with Commissioner Eugene Bradley about the danger of the Charles Farris gully and expressed an urgency to the engineer for the project to be completed;
- Rescinded the approval given earlier for overtime pay for members of the probate judge's office; and
- Agreed to discuss a pay increase for county employees at a special budget meeting this week.

The next commission meeting will be on Monday, Nov. 10, at 9 a.m. in Enterprise.

National Security Report Named Award Winner

The annual report prepared for stockholders in 1986 for operating year 1985 by National Security Insurance Company has won two prestigious national awards.

The annual report was designed, composed and produced by the firm of PitmanSmith & Smith Industrial and Corporate Marketing of Dothan and Panama City, Fla.

A first place award was given in the Additional OTC (Over-The-Counter) Quotes level competition, and will be presented in Washington, D.C. in April 1987. The award is from the National Association of Over-the-Counter companies and is a nationwide competition.

Another honor, the Nicholson Award, is given by the National Association of Investors Corporation. Judging criteria for this award is determined by input from over 500 individual investors, evaluating over 600 entries by corporations nationally in industrial classifications.

Annual reports are judged based on the information content and its ability to communicate with investors.

PitmanSmith & Smith's partner, Jon Allan Smith, account executive on this project, worked with M.L. Murdock, National Security's senior vice president, in development of this annual report. Conceptual design, presentation and production were the efforts of PS&S's creative department.

This annual report depicted the company's history from past archives through its major growth and advancements in technology expertise and services.

National Security Insurance Company president and CEO is J.R. Brunson, with home offices in Elba, where the company was founded 40 years ago.

Coffee County commissioners L-R: Jimmy Bryan, Bill Faulk and Billy Eagerton discuss county financial status at Monday's meeting in Enterprise.

Safety Precautions Urged For Halloween

The Alabama Poison Center believes that Halloween should be scary and fun, not scary and dangerous. But with the sinister foul play that tends to increase during the Halloween season, Halloween has indeed become a dangerous holiday.

Much of the danger can be avoided by taking the following safety precautions:

1. Feed your children before they go out trick-or-treating. They will be less likely to snack before you have a chance to inspect their candy.
2. Talk to your children about the importance of not eating their candy until you have had the chance to check it.
3. Parents should inspect all the "goodies." Do not allow your children to eat anything that (a) is unwrapped, (b) is not in its original wrapper, (c) has holes in the wrapper, (d) is homemade.
4. Cut fruit in half to check for foreign objects such as razors or needles.
5. Limit the trick-or-treating area to your own neighborhood.
6. An adult should accompany all trick-or-treaters.
7. Leave before dark so that children will be home earlier. The darkness may add to the "spookiness" of Halloween but it also adds to the danger.
8. Have the children wear something light or reflective on their costumes and trick-or-treat bag.

If you have any questions about your Halloween outing, suspect a problem or have a poison emergency, call the Alabama Poison Center (open 24 hours a day, 365 days of the year) 1-800-462-0800. All services are free.
